Reg. Charity No. 227491

Established in 1920, the Society caters for those interested in all aspects of archaeology and history. During the autumn and winter, illustrated monthly lectures are given by experts, usually on a Wednesday at 7 p.m. In the summer, excursions by coach take members to places of historic and archaeological interest.

The society has limited funds available to award a grant to individuals researching any aspect of the archaeology and history of the Canterbury district.

We have a collection of books, particularly strong on local guides, housed at the premises of the Canterbury Archaeological Trust at 92a Broad Street, Canterbury.

Members may consult it during office hours.

Our web-site (www.canterbury-archaeology.org.uk) gives more details, including the current programme. Alternatively, please telephone the Chairman, Ann Chadwick (01227 766608) or David Bigley (01227 788068) for information.

Details of meetings

Full details are given on the programme card issued to members and on our web-site. For the season 2017/2018, the monthly talks, held from October until March, will be on a Wednesday evening at 7.00 p.m. and will take place at Canterbury Christ Church University, usually in the Newton building, room Ng03. Parking is available at the University.
